1. Formation of Contract. The terms set forth on the Quote and these Quote Terms are the sole terms for the sale of goods and services by PVI Industrial Washing, Inc. ("Seller"), unless otherwise specifically provided for by Seller in this document, and shall apply to the exclusion of any inconsistent or additional terms contained in the order or acknowledgment issued by a buyer of Seller's goods or services ("Buyer"), or otherwise proposed by Buyer. Buyer's acceptance of the Quote and these terms shall be conclusively presumed by (a) Buyer's signature on the Quote or, (b) Buyer's submission of a purchase order in response to the Quote, or (c) Buyer's delivery of goods to Seller for processing (services). Any contract made for the sale of goods or services by Seller is expressly conditioned on Buyer's assent to the terms stated on the Quote and these terms. Seller objects to any additional or inconsistent terms proposed by Buyer.

2. Price.

a. Exclusions. The price quoted by Seller does not include (i) applicable taxes, including (but not limited to) local, state or federal sales, use, or excise taxes, (ii) any other products, services or work not specifically described on the Quote, and (iii) all shipping expenses. Excluded items shall be Buyer's responsibility. Buyer shall reimburse Seller on demand for any excluded items that the Seller may be required to pay.

b. Price Increases. The price quoted by Seller shall be subject to price increases by Seller after the date of the quotation to account for increases in Seller's costs. The price shall also be subject to increases to accommodate multiple shipments in the event Buyer does not desire shipment at one time of all the goods covered by the Quote. No price increase shall take effect until Seller has given Buyer 30 days' prior written notice.

3. Payment Terms. Unless the Seller and Buyer have mutually modified the Quote, payment in full on all invoices is due thirty (30) days after Seller's invoice date. Invoices not paid within thirty (30) days shall have a service charge added to the amount due of one and one half percent (1 ½ %) per month. Seller reserves the right to not process and/or deliver goods at any time should Buyer fail to pay for outstanding invoices. 6. Limited Warranty and Disclaimer. Seller warrants to the Buyer that goods serviced by Seller shall be free from service related defects for a reasonable period of time not to exceed six (6) months, or as otherwise agreed by Seller in writing. The warranty does not extend to future performance or process-inherent appearance outcomes including; drying marks and spots, light scratches, discoloration, and corrosion protection in excess of Quote parameters. The warranty is limited to the lesser of Seller's direct labor cost plus the cost of damaged materials, or two times Seller's processing charges. Liability in excess of above outlined will be assumed by Seller only upon

written agreement. The warranty does not cover goods or materials that are misused, neglected, damaged or altered after leaving Seller's possession. The determination of whether a defect exists shall be made solely by Seller. Buyer shall not return any goods to Seller until Seller has been provided a reasonable opportunity to inspect and sample the goods to determine whether a defect exists and whether the goods should be repaired or replaced. Any shipping cost for returning defective goods shall be paid by Seller. Any goods returned to Seller may be subject to a reasonable charge to cover Seller's cost of handling, and reconditioning the goods to return them to saleable condition.
